

BOMBARDIER CHALLENGER 605

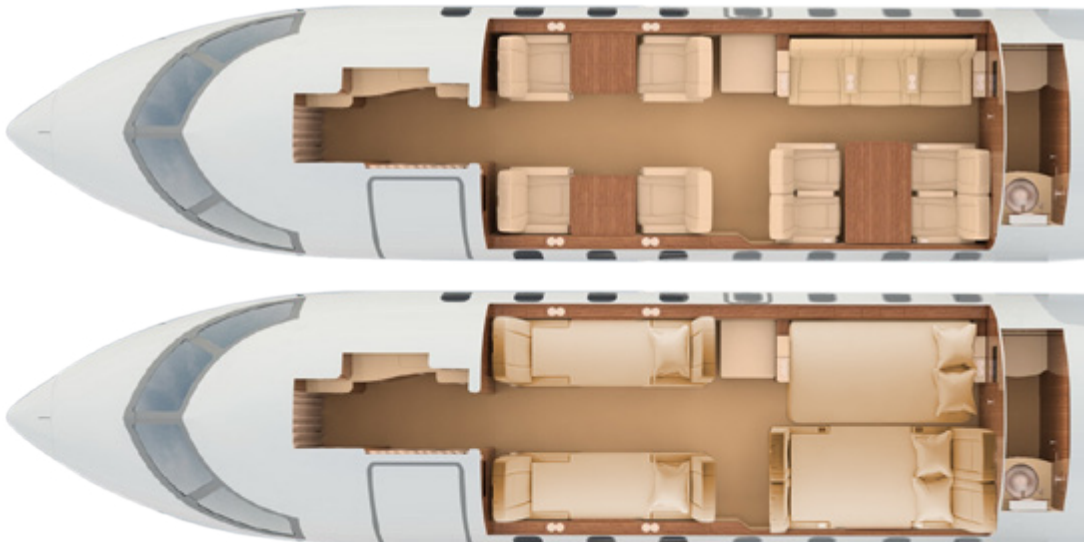

OVERVIEW

Next-generation by design, the Bombardier Challenger 605 wide-body business jet was built in response to the needs and necessities of business leaders and pilots alike. Now, even more spacious, the aircraft is designed with more business, relaxation and entertainment flexibility than any other large business jet. Benefits derived from the 25-year-plus Bombardier Regional Jet programme are felt in every aspect, with increased payload/range capacity and superior airliner maintainability.
