

Dangerous Goods Which may be Carried by Passengers and Crew

Due to international regulations, and to ensure the safety of our customers, there are a number of restrictions on items that can be carried in cabin baggage and checked baggage.

Items that may cause injury or represent any other security or safety threat can only be carried as checked baggage, and are not allowed in cabin baggage.

These items should be appropriately packed for carriage as checked baggage, in accordance with IATA Dangerous Goods Regulations and relevant local regulations. Dangerous goods must not be carried in or as passengers or crew, checked or carry-on baggage, except as otherwise provided below.
